

# YES Program

## Children & Family Treatment & Support Services

The YES (Youth Empowerment Services) Program offers Psychosocial Rehabilitation Services (PSR) through the NYS Children and Family Treatment and Support Services Program. These **FREE** mental health services, available with NYS Children's Medicaid, give children, youth, and their families the power to improve their health, well-being, and quality of life. These services strengthen families and help them make informed decisions about their care. Services are provided at home or in the community.

**Who is eligible?** Youth, ages 0-21 with a diagnosed mental health disorder and Fidelis/Excellus Medicaid Managed Care or Medicaid, and their families. Must reside in Steuben County.

**The YES Program assists youth increase their skills in:**

- Social Skills and Relationships
- Emotional Regulation
- Self-Care and Self-Direction
- Independent Living Skills

**Who can make a referral?** Anyone, including youth and families self-referring, community partners, mental health professionals, educators, doctors, etc. Go to [www.familyservicesociety.org](http://www.familyservicesociety.org) to download the referral form, email Cari at [stagec@familyservicesociety.org](mailto:stagec@familyservicesociety.org), or call 607-936-3507 for more information.
