Planting the Seeds for a Better Tomorrow

Dear Parent(s)/Guardian(s),

You are receiving this letter because _____ has been referred to our Prevention Services program. This program is designed to support students who may be experiencing challenges in areas such as emotional regulation, peer relationships, school or home commitments, problem-solving, or general life skills. Our goal is to work collaboratively to promote positive behavioral and emotional growth.

Engagement in these services can help address high-risk behaviors, enhance communication skills, increase self-awareness, and develop healthy coping mechanisms. We believe these services will provide valuable support to help any child build resilience and navigate their current challenges more effectively.

To begin the process, please complete the electronic consent form. You can access the consents by scanning the QR code below or by visiting our website at www.familyservicesociety.org and selecting "Prevention Consents". A valid email address is required, as a copy of the signed consents will be sent to your email for your records.

If you have any questions or concerns, please don't hesitate to reach out us at 607-936-3507. We look forward to partnering with you to support the growth and success of your student.
